MEMORANDUM FOR THE ASSISTANT TO THE DIRECTOR

SUBJECT: Appointment of [REDACTED]

25X1A

1. This office believes that [REDACTED] may be appointed as an intermittent consultant for a period of six months at the rate of \$50.00 per consultation, without sacrificing his annuity from the State Department for those days he serves as a consultant. Our position in this matter is fortified by a recent decision of the Comptroller General, B-105707, dated October 19, 1951, regarding employment of [REDACTED] as a consultant on the same Board.

25X1A

2. An informal discussion with the Legal Office of the State Department indicates that they will go along with us on this when and if the question is brought up by the Annuity Desk.

25X1A

3. It is essential that [REDACTED] be employed on a fee rather than a daily basis. If at the end of six months the organization wishes to offer him a full-time position, the State Department Annuity Desk will suspend his annuity during the period of his CIA employment, unless a Comptroller General's decision to the contrary is obtained.
